

# Host setup & answer key

Print pages 2-6 at actual size. Each is one player card.

Choose one book, chair, plant, and door in a supervised area.

Place the cards using the locations below. Keep this page.

Give players card 1. Ask them to walk and leave cards in place.

Fold the bottom of each card back to hide its fallback clue.

The codes open clue pages. Internet access is needed; no login.

Scan card 1 with your phone before setting up the hunt.

**Card 1: Start**

**Card 2: Beside a book**

**Card 3: Beside a chair**

**Card 4: Beside a plant**

**Card 5: Beside a door**

**Finish: the player tells the host SUNNY.**

No scan? Read the folded fallback clue to the player.

Use suitable locations without blocking exits or other people.

Digital files are decoder-checked. Test your own prints and devices.
